

Annual General Meeting

Please mark Wednesday April 27, 2005 on your calendar and come out and participate in your squadrons Annual General Meeting. At this meeting, among other things, you will get to meet the members who have agreed to sit on the squadron executive bridge for the coming year. Come out and see old friends or meet new ones. Refreshments are served and there is a cash bar. As is the usual custom: following the business portion of the meeting we are to be entertained

by stories of life aboard a tall ship in the Pacific. Alex Mantha, the daughter of member Ray Mantha, spent a season circumnavigating the Pacific Ocean aboard the tall ship Concordia. She was one of 36 students chosen from all across North America who sailed the tall ship and visited 21 countries. Please see the insert in this newsletter for more details and please make an effort to attend this important meeting and social function.

Grad Dinner / Change of Watch

This is our Social Event of the Year please mark your calendars and plan on attending our annual Graduation Dinner and Change of Watch.

The evening is multi-purpose:

- We welcome new graduates into the CPS family
- We thank Squadron members who have donated their time during the past year either by teaching courses, or serving on the Squadron Executive, by awarding Merit Marks
- We "swear in" next year's Bridge.

This year's festivities will take place at the Callander Legion. We have a large number of graduates and expect a lively crowd.

As usual, our dinner is on a Sunday night. This is planned so you can work on your boat all weekend, and then treat yourself and your mate to a nice dinner out, as well as enjoy the fellowship of other C.P.S. members. Come and welcome our new graduates into the Squadron.
